

# Downtown Façade Improvement Program

January 2017

Façade definition – the face of a building, especially the principal front that looks onto a street or open space.

Improvements matched up to \$1,000 per business.

For private businesses located within the Kingman downtown business district.

New or existing private business (if new must be operating within 6 months).

- Retail sales locations or business with regular foot traffic
- Façade improvements or repairs
- New or replacement signage
- Decorative additions to beautify; must be approved in advance

Planned improvements must be approved by Kingman County Economic Development Council. (KCEDC).

Submit a brief description of the planned improvements to KCEDC with detailed plans/drawings if deemed necessary.

After completion of improvements submit invoices with proof of payment to be reimbursed by KCEDC within 30 days.

**Total pool of funds available for the program is \$15,000.00.**

Sponsored by

**Kingman County Economic Development Council, Inc.**
